

# How to enter price for Rim Trading Bord

Oct, 2020

Rim Intelligence Co.

# 1. Trading Board Page

This is the main page. Trading information is displayed.

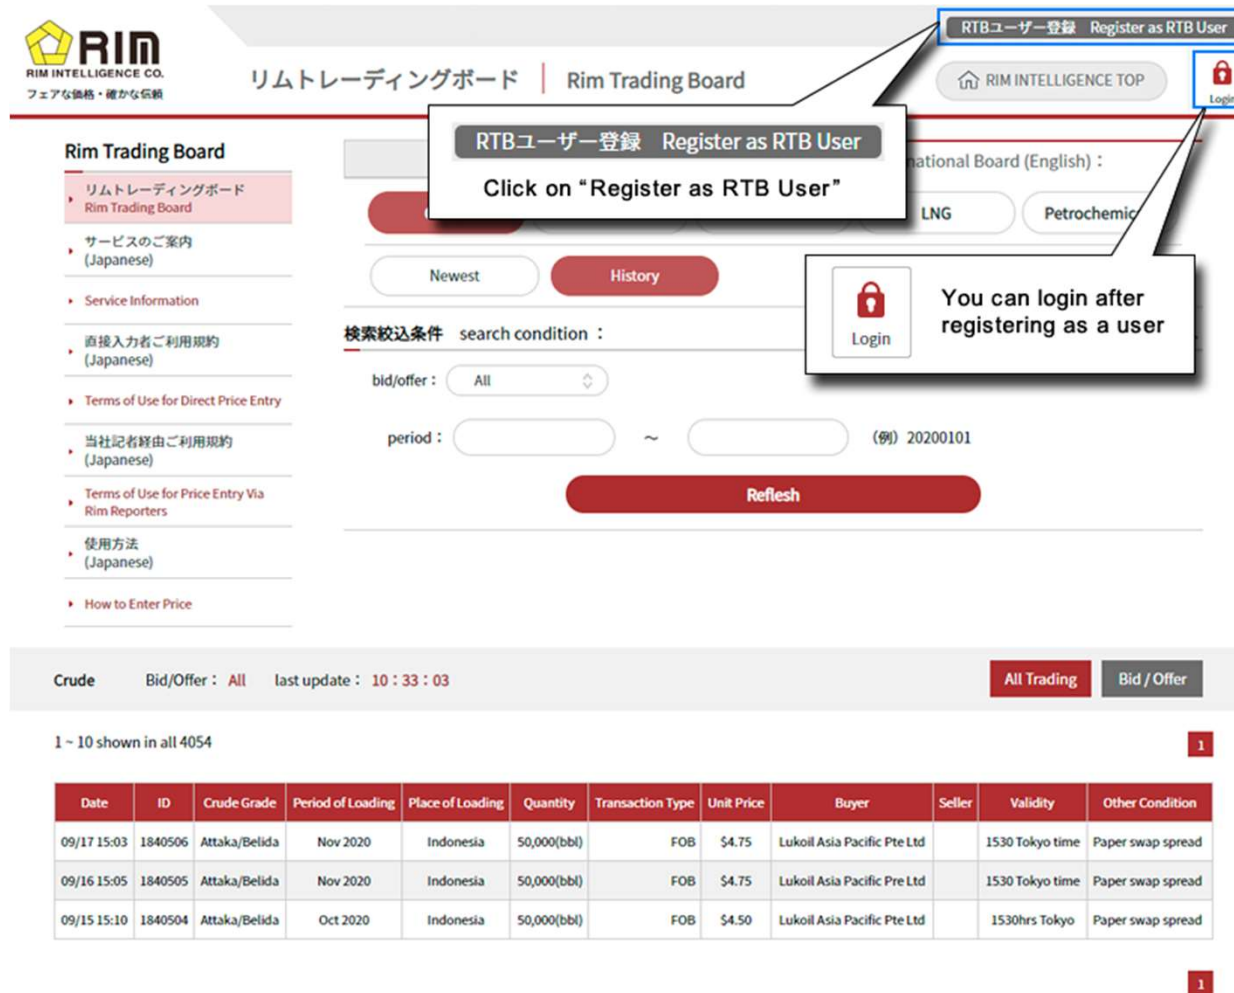

The screenshot shows the RIM Trading Board interface. Key elements include:

- Navigation:** A sidebar on the left with a 'Search' button and a main menu with 'Rim Trading Board' highlighted.
- Language and Board Selection:** 'Japan Domestic (Japanese)' and 'International Board (English)' tabs. Under 'International Board', buttons for 'Crude', 'Products', 'LPG', 'LNG', and 'Petrochemicals' are visible.
- Information View:** 'Newest' and 'History' buttons. A callout points to the 'History' button with the text 'For newest and historical information'.
- Search Functionality:** A search box with '検索絞り条件 search condition' and a 'Refresh' button. A callout points to the search area with the text 'Search'.
- Product and Status:** 'Crude' is selected as the product, and 'Bid/Offer' is selected as the status.
- Data Display:** A table showing trading data with columns: Date, ID, Crude Grade, Period of Loading, Place of Loading, Quantity, Transaction Type, UnR Price, Buyer, Seller, Validity, and Other Condition. A callout points to the table with the text 'Actual display'.

Date	ID	Crude Grade	Period of Loading	Place of Loading	Quantity	Transaction Type	UnR Price	Buyer	Seller	Validity	Other Condition
09/17 15:03	1840506	Attaka/Belida	Nov 2020	Indonesia	50,000(bbl)	FOB	\$4.75	Lukoil Asia Pacific Pte Ltd		1530 Tokyo time	Paper swap spread
09/16 15:05	1840505	Attaka/Belida	Nov 2020	Indonesia	50,000(bbl)	FOB	\$4.75	Lukoil Asia Pacific Pre Ltd		1530 Tokyo time	Paper swap spread
09/15 15:10	1840504	Attaka/Belida	Oct 2020	Indonesia	50,000(bbl)	FOB	\$4.50	Lukoil Asia Pacific Pte Ltd		1530hrs Tokyo	Paper swap spread

## 2. User Registration

After registering as a user and logging-in, you can enter trading inform action.

The screenshot shows the RIM Trading Board interface. Callouts highlight the 'RTBユーザー登録 Register as RTB User' button in the top right and a central 'Click on "Register as RTB User"' instruction. Another callout points to the 'Login' button with the text 'You can login after registering as a user'.

### 3. Declaration for Display of Trading Information

Enter trading information(after logging-in)

The screenshot shows the RIM Trading Board interface. The top navigation bar includes the RIM logo, the text 'リムトレーディングボード | Rim Trading Board', and user information '児島 智義様 My Page'. A 'Logout' button is also present. The left sidebar contains a menu with '取引情報 掲載中告 Declaration for Display' highlighted in red. A callout bubble points to this menu item with the text 'Click here to enter trading information'. The main content area is titled 'Declaration for Display' and contains instructions: '新規入力または入力履歴を利用のどちらかを選択して、取引情報の品目を選択してください。' and 'Select "New Input" or "Input History", Please...'. Below this, there are sections for '新規登録 New Input', 'Japan Domestic', 'International Board', and 'Japan Domestic LPG'. A callout bubble points to the 'Japan Domestic' section with the text 'Please select product category'. The 'Japan Domestic' section is divided into '陸上' (Onshore) and '海上' (Offshore) categories, each with buttons for 'ガソリン', '灯油', '軽油', 'A重油', 'LSA重油', 'HSC重油', 'A重油0.5%S', 'A重油0.1%S', 'C重油0.3%S', 'C重油3.0%S', '船舶用0.5%S重油', and '船舶用3.0%S重油'. The 'International Board' section has buttons for 'Crude', 'Products', 'LPG', 'LNG', and 'Petrochemical'.
